Twice before, Jack Sigler—Callsign: King—has stopped the mysterious ‘Brainstorm’ from destroying all life on earth. Twice before, he’s survived Brainstorm’s assassins. So when the mastermind behind Brainstorm surfaces in Paris, King goes on the offensive.

As the final showdown unfolds in the legendary City of Lights, the villain’s scheme to plunge the world into literal darkness is revealed. But even Brainstorm isn’t ready for the destructive force that has been unleashed...an entity of darkness imprisoned for more than a thousand years, set free now to devour...everything.

The blackout has begun... When the sun rises, the world will end.

Callsign: King – Blackout was the eighth in a series of Chess Team novellas released in 2011, and the conclusion to the story arc in the first two Callsign: King stories. Each of the eight books in the entire series—deemed the ‘Chesspocalypse’—follows a single member of the team and is co-authored by Jeremy Robinson and one of six other fantastic authors. The stories take place after the events of Threshold, the third Jack Sigler thriller, and before the events of Ragnarok, the fourth full-length novel in the series. The Chesspocalypse novellas are designed to introduce readers to the series. If you haven’t read the novels, no worries. Enjoy the ride!
