**Moving Forward on my Journey "sdrawkcaB" (Backwards)** S. King Livingston

"This book contains deep and inspiring works of fiction. I hope the reader will allow his/her mind to journey into the past reaching back to a time where nothing was forbidden.

The word BACKWARDS is meant to take you on a magical journey into the far reaches of your mind not moving forward but backwards in slow motion exploring unknown and untouched places yet to be discovered.

In the end, I hope you will have known true love and respect for your neighbor, as you experience their trials and tribulations through words. That you will embrace the true and original colors of the earth on which we all must find a common ground to dwell together in unity."
