THE MAGICAL DANCING MAN - How Does He Do That?: Magic Trick with a difference. How to make the Magic Dancing Man and a Magical Dancing Emu (Amazing Magic tricks Book 1) Johnnie Gentle

The Magical Dancing Man is an amazing version of the Classical "Dancing Sailor" that will really baffle and amaze your friends and family and will really blow the minds of any audience.

It's a delightful and amusing piece of sheer Magic that can really enhance your reputation. It is very easy to make up and with today's modern magical accessories, it appears to be beyond all explanation.

Imagine passing a little cardboard figure, with wobbly rubber legs, out to the audience to inspect and invite them to try to make him stand up. However hard they try, it proves impossible. It's frustrating, but rather funny.

However, you the magician, simply take the little figure and carefully balance him on his little rubber legs, to the astonishment of the audience.

Now the fun begins. - The little man is made to dance to the audience clapping or to music playing. He will fall down dead at your command or if an audience member pretends to shoot him. It's down to your own imagination the fun things that the little guy can do.

This will be one of your favourite magic routines and will be the source of great FUN. -

Also in this manual, are the plans for a brilliant and amusing string puppet that once again, is easy to make up and is the source of tremendous fun.

It has brought great delight to both children and adults and I have been asked to make up dozens of these puppets at the request of friends. -

You will Love It!

How to make both the Magical Dancing Man and the Magic Emu is Fully Explained and Illustrated in this Easy-to-Follow eBook.
