## **The Shock of the New 2nd (second) edition Text Only** Robert Hughes

Robert Hughes's powerful response to painting, sculpture, and architecture, his brilliantly expressive narrative voice, his lively scholarship and wit, and the critical poise he demonstrates as art critic for Time magazine combine to make *The Shock of the New* the best account we have yet had of art and artists spanning the century, from the coming of Cubism to the end of the avant-garde. Mr. Hughes has written a wholly new final chapter carrying the story through the 1980s.
