The first novel by Newbery Award-winning author Nancy Willard: A stunning story of magic and miracles, and a testament to the enduring power of faith and love Ben and Willie Harkissian are twin brothers (think Cain and Abel, Jacob and Esau) growing up in Ann Arbor, Michigan, on the eve of World War II. A baseball launched into the October sky sets in motion a series of events that transforms many lives. Ben leaves for the front and faces death-figuratively as well as literally. Left behind is Clare Bishop, who has been paralyzed from the waist down. But in exchange she receives a very special gift. She can see the future, be at one with animals, and chat with Death. Willie Harkissian remains in Michigan, as well, though his relationship with his brother will never be the same. A love story interrupted by war, this is also a novel about discovering the ordinary in the extraordinary and finding the miraculous in everyday life.
