## This is Spinal Tap: Official Companion

The companion to the funniest film ever made about rock bands.

Rob Reiner's hilarious "rockumentary" about an aging British heavy-metal group has reached legendary status since its release in 1984. Largely ad-libbed by lead guitarist Nigel Tufnel (Christopher Guest), lead singer David St. Hubbins (Michael McKean), and bassist Derek Smalls (Harry Shearer)-as well as a succession of drummers whose careers were cut short by spontaneously combusting, drowning in somebody else's vomit, or other untimely deaths- This Is Spinal Tap chronicles the band's latest American tour in a cunning satire of rock and roll culture.

Now, just in time for the theatrical re-release of *This is Spinal Tap*, as well as the ensuing video and DVD release, comes *The Official Companion*, featuring:

Fully illustrated text

A complete transcript of the film (much of the film was ad-libbed, so an ordinary screenplay can lack entire scenes)

Never-before-seen stills from cut footage

A comprehensive A-to-Z Guide featuring everything you've ever wanted to know about *This Is Spinal Tap*

Don't miss the chance to see behind the scenes of one of the most riotous and memorable satires of our time!
