Do's and Don'ts of Yesteryear: A Treasury of Early American Folk Wisdom

Eric Sloane

Do's and Don'ts of Yesteryear: A Treasury of Early American Folk Wisdom Eric Sloane

A delightful mixture of early American know-how and good old-fashioned gentility, *Eric Sloane's Do's and Don'ts* captures the spirit of bygone America in words and pictures. Combining two of the beloved folk historian's nostalgic how-to guides, this collection offers vintage, homespun advice that recalls "the joy of doing things not just the old-fashioned way, but plainly the right way."

A shining historical gem, this little book of American lore recalls a more kindly, less hurried time. Lovingly gathered by "Mr. Americana" himself from colonial-era almanacs and diaries, hundreds of brief reflections spread time-honored wisdom on everything from curing hiccups, lighting a proper fire, and mending clothing and furniture, to predicting the weather, making soap, and getting rid of ants, bees, swallows — and boring houseguests. Sloane's evocative drawings add the perfect finishing touch.

William Keller:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says,

many ways to reach Chinese's country. Therefore this Do's and Don'ts of Yesteryear: A Treasury of Early American Folk Wisdom can make you experience more interested to read.
