FOREX TRADING: Forex Trading Strategy: Discover the Missing Piece Max Dymon

This book sets out the successful method I have used for over 15 years to achieve continual profit with his Forex trading strategy.

You will discover that by finding this missing piece and learning how to use it to your advantage will add dollars to your Forex trading account month in month out

The methods and observations you are taught in this book will set you on the right path to understanding what the missing piece is, and what steps to take to achieve your trading goals and preserve your trading account by utilizing this missing piece of Forex trading.

If you lose your account balance, you don't trade. If you don't trade you lose so many opportunities to create wealth whilst learning to trade FOREX.

Finding and understanding the missing piece is the key to a sustainable profitable Forex trading strategy.

In this book you will learn to:

- * Observer the movement of the trade
- * Read the price action
- * Understand money management
- * Preserve your capital
- * Show a profit when your win/loss ratio is les than 50%
- * Understand greed and revenge trading
- * Accept that losses are a part of winning
- * Have faith knowing this valuable missing piece works to your advantage.

The methods, observations, money management, and capital preservations will create a profitable Forex trading account over time.

Whether you are a 'newbie' or you are a seasoned Forex trader this will help you trade profitably and consistently.

I have written this book, as an up-dated version of my previous books that I felt did not precisely give the complete details of the missing Forex trading strategy. There are new sections and illustrations that came about by comments and a yearning for clearer information from my followers of my website.

Good trading
