Sometimes you just have to go all in...

Tate Irvin, former SEAL and current member of GAPS, is tasked with going over to Cameroon to help foil a potential threat to the US before it begins. His cover depends on a woman he's never met, a doctor. Unsure of the brilliance of using a civilian in such a task, he's surprised when he meets her, sexy, smart, fearless, and at times, more than a bit reckless. A perfect combination in his mind.

Albany Schovanec has traded in her life of luxury in the States to work her own clinic in Cameroon, and truly do some good. A friend asks to utilize her clinic as a cover for an operation, she agrees. Not new to the undercover world given her work with Tungsten Protective Services, she agrees. She didn't count on her instant attraction to him. As things heat up both between them and with the situation, will their passion be ignored or will she agree with him and jump all in?
