**The Devil With the Three Golden Hairs** Paul Wimsett

Literally going through Hell, a boy has made an enemy of the King after he marries her daughter, and how does he obtain 3 golden hairs from the devil?

(The questions as to why someone can walk to Hell and why the devil only has three hairs are asked, but no answers are forthcoming...)

A Grimm story which seems to be a devilish version of Jack and the Beanstalk, with humorous bits.
