We Remember the Holocaust David A. Adler

We Remember the Holocaust chronicles the Holocaust in the voices of those who survived it. They tell us about Jewish life in Europe before the 1930s and about the violence of Hitler's rise to power. They describe the humiliations of Nazi rule, the struggle to keep families together, the fight for survival in the ghettos, the ultimate horror of the concentration camps.

With its moving first-person voices and original photographs from private collections, *We Remember the Holocaust* is an intensely personal contribution to the history of a period that must never be forgotten.
