Will You Be My Wi-Fi? Caroline Linden

Natalie Corcoran has to get away after a major family fight—and she makes it all the way to a cottage in England. All she wants is peace and quiet while she writes a cookbook, but the wedding party at the luxury hotel next door is driving her crazy...especially the sexy lawyer who wants her Wi-Fi password.

Archer Quinn doesn't have time to attend a wedding, but the groom is his most important client and he has no choice. He's swamped with work, and the hotel Internet is out. Fortunately a nearby cottage has Wi-Fi—and a very attractive tenant. Archer will do anything to convince Natalie to take a chance on him: first with her password, then with her friendship, and then with more. But he only has a week to persuade her they'll be scrumptious together...
