A Day At The Beach June 6, 1944

Ken Hite

A Day At The Beach June 6, 1944 Ken Hite

According to history, D-Day can be boiled down to the genius of British Intelligence in deceiving the Germans about the time and place of the invasion and the courage of Dwight Eisenhower to say, “Go” in the face of a slender window of barely acceptable weather. All of that is true.

However, the bloodbath that was Omaha Beach forced this author to take a second look and conclude that the operational planning for Omaha, in particular, was deeply flawed. Simply put, the GIs on Omaha Beach succeeded despite the Generals, not because of them. And so, I decided to get it right. “A Day at the Beach” is what is now called alternative history—or what if? It tells a very different story of D-Day and the battles in France that followed.
