## **Bound To Me (The Leather Series) (Volume 1)** Megan Elizabeth

The best kind of foreplay begins on a leather couch... For renowned playboy Decland Wallace, it's not you it's me, has never been more true. With an insatiable appetite in the bedroom and a dangerous desire to dominate, he has yet to find the one who can keep up with his private ambitions. Until he discovers a mysterious beauty in a club where physical pleasure is on the nightly menu. The game is on as a single night with a seductress in a lace mask ignites a yearning for something more. Just when he thinks he's found the one to fulfil his darkest cravings she's hell bent on walking away, leaving him with an addiction only she can satisfy. He'll use every dirty trick in his play book to keep her... even if it costs them everything. When her one night stand Decland Wallace turns out to be her newest client, sex therapist, Addison Tyler will walk, straddle and ride the line of professional and personal in ways she couldn't imagine. Faced with a completely do-able client whose mischievous words, bed-tossed hair, and fiendish impulses prove far too difficult to resist, Addison is on the verge of losing herself to the one man she shouldn't. One false step, slide of the hand, or slip of the tongue could bring her carefully constructed world crashing down and into Decland Wallace.
