Contending Perspectives In Comparative Politics: A Reader Lawrence Mayer, Frank Thames, Dennis Patterson

In addition to a well-chosen set of classic readings, *Contending Perspectives* also offers students access to cutting-edge research. By framing chapters around a central question in the field, the editors are able to show students how scholars approach inquiry with different perspectives, producing controversy and consensus in interesting and instructive ways. With these selections, students see work with data, theory, and analysis at its best and set in proper context not pieces chosen just for their currency or for pages of colorful detail. Chapter introductions and selection headnotes offer important background and critical thinking questions.
