**They might be one of the hottest up-and-coming bands in Australia, but the members of *Selling the Sun* have a lot to learn about life, love, sex, and each other.**

Coming off a successful Australian tour and prestigious industry award nominations, Gemma Field's life should be perfect. Instead her parents want her to get a real job, the second album isn't coming together, and her best friend, Kirsten wants nothing to do with her.

Falling for her best friend was never going to make life easy. After an almost accidental drunken kiss almost six months ago, they aren't even talking. Gemma can't even talk about it with anyone – not her family, not her bandmates, not even the one person she used to share everything with. Instead she lives in a space of indecision and pain, and it's affecting all aspects of her life, including the band.

Kirsten Vincent missed Gemma like crazy, but did she miss her as a friend or as something more? She's confused and Gemma is hurt, and the consequences of a bad decision will affect more than their personal lives. Will another kiss, a sober kiss, a kiss with intent, do more damage, or could it be the start of something more?

## **Praise for OUT OF RHYTHM:**

With fun, authentic characters, sexual tension that leaves you on tenterhooks, and wonderful world building, Shona Husk is an awesomely talented Australian writer and it's fantastic to read rock star romances set here at home.
