Hi Morgan! It's me, dad, and I wanted to write you this letter about maintaining your unshakable Christian faith while you are away in college! Great idea, huh? Listen, the world out there is going to throw a bunch of crazy ideas your way in the next few years. I know you will sort through them with wisdom and prudence, but I still wanted to write you this letter of encouragement for the exciting journey ahead! I started out going over twelve Christian beliefs that are central to our faith, and then I threw in some of the challenges to our faith you will come across in college, followed by just some common sense answers to those challenges. I included a bunch of warm, and funny, old memories just to make it interesting. There is some other stuff too, but you will have to read to find out! Yeah, I know we have gone over this stuff before, but you have to admit it was a pretty cool idea for me to write it all down and put it in book! You know I got your back. I love you Morgan, and enjoy!
