Camilla is a naturally beautiful woman who has been working as an escort and Private Exotic dancer for longer than she'd like to. Her ultimate goal is to find a rich man who can handle her every whim, and can provide her with whatever she needs. Camilla wants to go shopping daily, have expensive dinners, live in an expensive place and drive an expensive car. For now, she has to entertain fat rich slobs and drooling nerds to make ends meet. From time to time, she would shop or go to expensive places hoping to catch some rich man's eye. But trying to portray the 'lifestyle' of the rich and well-off has cost her lots of money and she is now knee deep in debt because of it.

Camilla needed a come up. Now, she has had her eye on one particular man-Dante Simms. Dante is a financial broker with his own Brokerage firm and is worth millions of dollars. Dante has been a steady customer of hers, though they'd never have sex. He would come in, drop lots of cash, sometimes leave her with an expensive gift and then disappear. Camilla couldn't understand why he would tease her in such a way, especially if he wasn't coming to rescue her. Camilla daydreamed constantly that he'd rescue her from the hell that is her lifestyle every time he walked through the doors of the club.

Camilla gets wind, via a rumor, that Dante is looking to replace his ex-girlfriend. The problem is that there is another rumor that his ex went missing. Camilla doesn't care. It's all speculation anyway, as to how he has obtained his position. Some say the Italian mob. Some say he has shady financial dealings. Some say all of his money is legit. But Camilla could care less: if he's got the money...then he's got her attention.

One day a chance encounter finally lands her the man she's been longing for-Dante. Soon, she is immersed in the lifestyle of the rich and well-off. Dante treats her to expensive dinners, new expensive digs, pays off her debt and now she more designer clothes than she can handle. But as she gets to know her new Beau, she begins to see that being rich doesn't come with the lifestyle she'd hoped for.

Camilla will soon have to choose what's important to her. After she has an encounter with a detective by the name of Kevin Durham, her world is rocked by some information that could jeopardize not only her new found freedom, but her life as well. Camilla may soon find out the hard way, that: All That Glitters Ain't Gold.
