Thomas Hardy

Complete Poems of Thomas Hardy Thomas Hardy

Thomas Hardy devoted the final thirty years of his life entirely to his first love - poetry. He abandoned fiction at the age of fifty-eight, after a successful career as a novelist during which he produced such masterpieces as *Tess of the D'Urbervilles*, *Jude the Obscure*, and *Far from the Madding Crowd*. His first volume of poetry, the 1898 *Wessex Poems*, was followed by *Poems of the Past and the Present*, *Time's Laughingstocks*, *Satires of Circumstance*, and *Moments of Vision*. At the time of his death in 1928, he was one of Britain's most distinguished poets. This edition of *The Complete Poems* makes available in one paperback volume all the poetic works of the great nineteenth-century English novelist. Included are previously uncollected poems, among which are examples of Hardy's finest work - "Domicilium" and the songs from *The Dynasts*.
