The Marriage of Spirit : Enlightened Living in Today's World

Leslie Temple-Thurston, Brad Laughlin

The Marriage of Spirit : Enlightened Living in Today's World Leslie Temple-Thurston, Brad Laughlin
The techniques of The Marriage of Spirit, filtered through modern psychological thought and the author's own life experiences, emerge in an original form designed especially for the more mentally oriented western person. Their aim is to recreate the balance and harmony in the midst of ordinary, everyday life. As the author says, "We have arrived at a new and different time; we are here to enlighten the physical plane, the body, and the personality while living and working in the world." Marriage of Spirit presents techniques that don't just "rearrange" the ego but help clear it so that the light of reality shines through, and we can live a truer expression of our own inherent divine nature. In a world torn apart by polarization, it offers hope for a third way, the way of unity amidst diversity. th

From reader reviews:

Ciara Wolfe:

What do you think of book? It is just for students since they are still students or it for all people in the world, what best subject for that? Just you can be answered for that query above. Every person has various personality and hobby for every other. Don't to be pushed someone or something that they don't wish do that. You must know how great and important the book The Marriage of Spirit : Enlightened Living in Today's World. All type of book could you see on many sources. You can look for the internet resources or other social media.

Jared Williams:

As people who live in typically the modest era should be upgrade about what going on or data even knowledge to make all of them keep up with the era and that is always change and move ahead. Some of you maybe will certainly update themselves by looking at books. It is a good choice for yourself but the problems coming to you is you don't know which you should start with. This The Marriage of Spirit : Enlightened Living in Today's World is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Lee Henry:

Nowadays reading books become more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The information you get based on what kind of publication you read, if you want get more knowledge just go with knowledge books but if you want truly feel happy read one using theme for entertaining like comic or novel. The actual The Marriage of Spirit : Enlightened Living in Today's World is kind of e-book which is giving the reader unstable experience.

Sandra Leggett:

Reading a book for being new life style in this calendar year; every people loves to go through a book. When you examine a book you can get a large amount of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your study, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, such us novel, comics, along with soon. The The Marriage of Spirit : Enlightened Living in Today's World will give you a new experience in reading through a book.
