Please Note - this book is recommended for readers 17yrs+. It contains some violence, some bad language, sexual situations and light BDSM themes. Tortured Soul deals with the subject of rape, human trafficking and prostitution. There are scenes which some readers may find difficult to read.

Emily Donovan didn't know love, she didn't know gentle and her future wasn't hers to own. Because HE owned her. There is only so much one soul can take before it is broken beyond repair and she had reached that milestone long ago.

Braiden Montgomery had secrets, secrets that would see a special place in hell reserved just for him. He was trying to make amends, trying to find his own form of redemption when a waif of a girl with jet black hair and pale blue eyes seized his heart.

Emily's soul had been tortured by men like Braiden, so trusting the dark haired Dom would be one of the most difficult things she would ever do. For a man with skills like Braiden, keeping 'Em' safe would be a piece of cake. Bringing her frozen heart back to life might just prove impossible though.
