Israel and Europe: An Appraisal in History

Howard M. Sachar

Israel and Europe: An Appraisal in History Howard M. Sachar

"A remarkable feat--clear, compelling and accessible--. Critical background for any appreciation of the Jewish state."--*The New York Times Book Review*

With his characteristic grace and lucidity, Howard M. Sachar, renowned author of thirteen earlier books on Middle Eastern and Jewish history, brings to life the complex and dramatic story of the friendships and fallings-out between Israel and the various European powers over the last half-century.

Dr. Sachar chronicles the always uneasy relationship between Israel and Great Britain; its early love-affair and nasty break-up with France; the shifting Soviet policies toward Israel; and the unlikely emergence of Germany as the new nation's chief European benefactor. A master of historical narrative, Sachar once again enlightens us with fine scholarship, insightful analysis, and an unerring knowledge of human--and national--motivations.
