The Roman Empire (Pocket Explorer)

Sam Moorhead

The Roman Empire (Pocket Explorer) Sam Moorhead

At its height the Roman Empire enriched the Mediterranean Sea and stretched from Britain to Egypt and from Spain to Iraq. This vast area included many different peoples and places, held together by Roman customs, Roman law, and the Roman army. Travel from frontier to frontier as you explore the provinces of the empire in this handy book.

Travel the Roman Empire and discover the great diversity of its peoples and cultures. The book shows the importance of the Roman army in conquering and controlling the empire, and how the empire was held together by the Emperor and by his officials and laws. The economic power of Rome depended on raw materials from all over the empire: metals, stone and food. Rome's success lay in its inclusiveness, with many distinct cultures flourishing within its boundaries. People practiced many different religions and spoke many different languages, but they were unified by Roman civilization.

Sam Moorhead shows how the most successful empire in human history was organized, and why understanding the Roman Empire helps us to better understand our world today.
