Women have a way with words. A woman's strength, influence, and ability to change the world for better—in every season and in every relationship—lies in the words she speaks each day. But with that God-given power comes the need to use it wisely, and this book provides both biblical and practical guidance to that end.

In *A Way with Words*, author and veteran speaker Christin Ditchfield challenges women to embrace God's gift of words and to think carefully about how they use it. She looks at twelve timeless principles as she calls all women to examine their hearts, recognize when words are their "weapon of choice," and learn how to steward this blessing to bring life, healing, and encouragement. Each chapter includes wisdom from influential women throughout history and a Bible study for individuals and small groups.
