Edward Sullivan:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or

make summary for some book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country.
