Where do you get your ideas from?when daydreaming is your favourite hobby, you find that ideas are always popping into your head. The trick is to jot them down before they pop out of your head again!i also get a lot of good suggestions for new fairies sent in by my readers, and sometimes if they're very good i use them as the basis for a new series.what is your favourite colour?bright red, the colour of courage and energy! red is also the colour of ruby in the rainbow fairies.which rainbow magic book is your favourite?there are so many fab fairies, it's impossible to choose! but i have a soft spot for summer the holiday fairy, because summer is my favourite time of year!are rachel and kirsty based on real people?yes. They're based on my best friends. Rachel and kirsty are just like them: kind-hearted, adventurous, fun-loving and friendly.where is rainspell island?rainspell island isn't a real place. It's based on a little island off the south coast of england that i used to visit when i was a little girl.which rainbow magic fairy would you like to be and why?danielle the daisy fairy. Daisies are my favourite flower, and danielle is the good-hearted girl-next-door whom everybody loves.what makes you happy?sitting in the garden in the sunshine listening to the birds singing! writing also makes me very happy, and reading the lovely letters from my readers.if you could have one wish come true what would it be?i've always wanted to be able to fly and have wonderful adventures just like rachel and kirsty have with all the rainbow magic fairies.what is your favourite animal and do you have any pets?i adore all animals so it would be really hard for me to pick a favourite! i have two dogs and three cats and love them all equally.what is your favourite food?
