## **Tangled Up In Tuesday (A Page Turners Novel) (Volume 4)** Jennie Marts

Organized accountant Zoey Allen likes her life neat and tidy. But it goes from managed to messy when a dead body ends up in her apartment on an ordinary Tuesday night. After uncovering a money-laundering scheme in a routine audit at her company, Zoey finds herself the target in a murderous plot that doesn't quite add up. Good thing she has Mac—a handsome police officer—and the Page Turners book club to help her solve the case. Officer 'Mac' McCarthy came back to Pleasant Valley to get away from murder and corruption. The last thing he needs is to be tied up in a case of attempted murder with the beautiful blonde bookkeeper that he can't get out of his mind. She's looking for him to protect her, and that's the one thing he doesn't think he can do. Mac and Zoey find themselves in a dangerous adventure full of lies, betrayal, and murder that takes them from the underbelly of the legalized marijuana business to a secluded cabin in the mountains. As she finds herself falling in love, is she really falling into a trap? Is Mac the man she thinks he is? Zoey must learn to let go of her ordered life and risk it all because murder can be a crime of passion, and falling in love is about to get messy. The Page Turners prevail in this newest mystery with their amateur sleuthing and undercover missions and...as always...delicious desserts. Women of all ages will enjoy this tale of humorous, women's fiction, mixed with cozy mystery and romantic comedy in this small town love story.
