We're familiar with the Jesus portrayed in the New Testament, but many people are surprised to learn that a wealth of stories and traditions about Jesus have always existed alongside the usual Biblical sources. Judaism, Islam, and Buddhism—among other religions—have created their own tales about Jesus, sometimes out of necessary self-preservation and reaction to the claims of the church, but more often through thoughtful and artistic adaptation. *The Other Jesus* explores these varied traditions and offers a fresh exploration of Jesus—new perspectives that challenge long-accepted beliefs about his place in history and his impact on other religions.
