## **The Weight of Feathers** Anna-Marie McLemore

A finalist for the William C. Morris YA Debut Award, Anna-Marie McLemore's *The Weight of Feathers* is an utterly captivating young adult novel by a talented new voice.

For twenty years, the Palomas and the Corbeaus have been rivals and enemies, locked in an escalating feud for over a generation. Both families make their living as traveling performers in competing shows—the Palomas swimming in mermaid exhibitions, the Corbeaus, former tightrope walkers, performing in the tallest trees they can find.

Lace Paloma may be new to her family's show, but she knows as well as anyone that the Corbeaus are pure *magia negra*, black magic from the devil himself. Simply touching one could mean death, and she's been taught from birth to keep away. But when disaster strikes the small town where both families are performing, it's a Corbeau boy, Cluck, who saves Lace's life. And his touch immerses her in the world of the Corbeaus, where falling for him could turn his own family against him, and one misstep can be just as dangerous on the ground as it is in the trees.

### From reader reviews:

#### **Michael Bennett:**

Reading a book tends to be new life style within this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Having book everyone in this world may share their idea. Guides can also inspire a lot of people. A lot of author can inspire their reader with their story as well as their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors these days always try to improve their proficiency in writing, they also doing some investigation before they write with their book. One of them is this The Weight of Feathers.

#### **Sandra Bryson:**

Spent a free a chance to be fun activity to perform! A lot of people spent their free time with their family, or their own friends. Usually they doing activity like watching television, going to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Could be reading a book is usually option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to try look for book, may be the book untitled The Weight of Feathers can be excellent book to read. May be it might be best activity to you.

#### **Donna Salerno:**

Playing with family in a very park, coming to see the sea world or hanging out with buddies is thing that usually you could have done when you have spare time, in that case why you don't try point that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Weight of Feathers, you can enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout guys. What? Still don't get it, oh come on its identified as reading friends.

#### **Hoyt Adkins:**

In this period of time globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher in which print many kinds of book. Often the book that recommended to your account is The Weight of Feathers this guide consist a lot of the information from the condition of this world now. This particular book was represented how can the world has grown up. The terminology styles that writer use for explain it is easy to understand. The particular writer made some study when he makes this book. Honestly, that is why this book suitable all of you.
