## **Vlad from Dracula's Castle** Nickolas Johann Raderick

Vlad from Dracula's Castle is a story inspired from a real life of a man, born in Dracula's Castle, in Transylvania, Romania. He begun his sexual experience at 11 year of age, having in his life a lot of love relations, much more than a usual man. Although he had all these women as his lovers, he was not in love with all of them: he loved just actress Amaliya, a beautiful black woman Lilly, and finally a woman Olga. He suffered a terrible accident with his motorcycle, and Olga took care of him. Thinking about his life and his love relations with so many women, he got confused in his mind, and became a monk in a monastery, to expiate his sins, but in half a year, as soon as the rest of the monks found out that he is born in Dracula's Castle, he was cast out from the monastery. Finally, he returned to his previous civil life, and got married on Olga, whom he helped to get rid of narcotics.
