What I Believe (Routledge Classics)

Bertrand Russell

What I Believe (Routledge Classics) Bertrand Russell

Along with *Why I Am Not a Christian*, this essay must rank as the most articulate example of Russell's famed atheism. It is also one of the most notorious. Used as evidence in a 1940 court case in which Russell was declared unfit to teach college-level philosophy, *What I Believe* was to become one of his most defining works. The ideas contained within were and are controversial, contentious and - to the religious - downright blasphemous. A remarkable work, it remains the best concise introduction to Russell's thought.
