Do you want to buy land and begin farming? Need some tips on growing fruit and financing your business? If so, this is an essential book. Steve Elzinga shares thirty-six years of experience growing apples, peaches, and blueberries and marketing them on his farm. Erie Orchards made the shift from a small operation to a booming entertainment center that now attracts 100,000 customers a year. It offers pony rides and hayrides, a children's playscape, a petting zoo, a corn maze, and you-pick fruits, disproving the notion that small farms can't survive and prosper. This book is a treasure trove of useful information for anyone starting a business as well as the aspiring farmer.
