Louis Berkhof's Summary of Christian Doctrine Louis Berkhof

This version of Louis Berkhof's Summary of Christian Doctrine presents the Reformed faith positively, without degenerating into dated theological debates. The sentences are now in the active voice, and the book's overall structure facilitates easy reading. This book gets at the heart of sound doctrine and aims to make it accessible to all who want to have solid theological footing and a biblical worldview for life. Sound doctrine is especially necessary for every lay leader in the church, whether they are leading worship or teaching children. As a pastor, I commend this book to all leaders, and not only to leaders but to entire congregations. The best way for the church to safeguard against false doctrine is to know what is true. My hope is that you, the reader, will have a firmer grasp of sound Christian doctrine so that you may be prepared to counter false doctrine. Pastor David W. Bradsher Grace Community Church (PCA)
