The mating urge cannot be denied...

Cougars and tigers are like oil and water--they don't mix even in the slightest. But cougar shifter Kaila and Alpha tiger Zach have fallen in love and don't care much for convention. There's just one problem: Kaila's father has decided to marry her off to another cougar shifter in a traditional cougar wedding.

Will Zach and Kaila's love prevail? Or will they both be left to live passionless lives without each other? Alpha Tiger Zach Neymar isn't exactly the kind of man who backs down from a challenge, even if it means he could be risking his own life.

But with the pressure of Kaila's father for her to marry another cougar, will it make living life as a normal college aged girl--and falling in love with the sexiest Tiger shifter of them all--impossible?
