Cases in Leadership (Ivey Casebook Series)

Cases in Leadership, Third Edition is a unique collection of 32 real-world leadership cases from Ivey Publishing plus 16 practitioner readings from the *Ivey Business Journal*. The updated casebook helps business students gain a better understanding of leadership and enables them to be more effective leaders through their careers. Each of the selected cases are about complex leadership issues that require the attention of the decision maker.

This casebook provides an invaluable supplement to any standard leadership text by connecting theory to actual cases. However, it has been organized to work especially well in conjunction with the Sixth Edition of Peter Northouse's *Leadership: Theory and Practice*.
