What a woman wants...

The only person who ever understood what Julia Radley wanted most in life was the man who ruined her reputation and secured her victory in a bold swimming race. She does not hold Valentine Merton accountable for the harsh criticisms made against her character until he suggests the only way to smooth over the scandal of his defeat is to wed as soon as possible.

... the gentleman must dare.

After picking himself up after proposing, Valentine Merton is even more determined to tame the wild girl next door. The future he wants within the clockmaker's guild depends on their speedy marriage. A few sweet words or, as a last resort, another brazen dare is sure to persuade her to take a chance on him... and his family.

A sizzling regency historical romance.
