Learn the low-roller secrets for:

Staying free at hotel-casinos

Beating casino promotions

Eating and drinking on the house

Playing video poker for profit

Getting bumped from airplanes and flying free

Though Jean Scott was well-known to a select few Las Vegas aficionados throughout the '90s, it wasn't until the publication of *The Frugal Gambler* in 1998 that she became a household name to casino players across the country. Since then, it's likely that no gambling personality has been featured more often in the media than this "Gambling Grandma." Her frequent national publicity, her long-term success in casinos around the world, and the solid low-rolling advantage-play techniques she's divulged along the way have all helped catapult *The Frugal Gambler* into the ranks of best-selling gambling books.

And now *The Frugal Gambler* is completely revised and updated. New information includes a completely revamped chapter on video poker, updated coverage of getting the most out of slot clubs, recent examples of exploitable gambling promotions, and a brand new Resources section, identifying the best sources of player information available—from books to software to the Internet.
