Brian Rocha:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
