Complete Digital Photography Ben Long

Whether you're new to digital photography or a seasoned shooter, this latest edition of Ben Long's popular guide is your one-stop resource for advice and clear how-to information on every aspect of digital photography, from shooting to postproduction to printing. COMPLETE DIGITAL PHOTOGRAPHY, SEVENTH EDITION starts with the basics; no prior knowledge of photography is needed. By the end of the book, you'll have a deep understanding of the art and technology of photography and be ready to tackle complex photographic challenges. Among the many essential elements of digital photography covered are:

- Extensive details of the camera's controls.
- In-depth tutorials on the ins and outs of exposure.
- Detailed chapters on seeing, composition, and the "artistry" of photography.
- Full instruction in how to craft a post-production workflow that works for you.
- Tutorials on all the essentials of image editing, from raw processing to retouching.
- Full coverage of printing and output.

Photographer Ben Long brings his extensive experience to bear, helping you over conceptual hurdles and leading you to a clear understanding of how to take great photos. With this book in hand, you will master the equipment, the process, and the art of digital photography.

From reader reviews:

Earnest Jennings:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each publication has different aim as well as goal; it means that book has different type. Some people sense enjoy to spend their a chance to read a book. They are reading whatever they have because their hobby is actually reading a book. What about the person who don't like looking at a book? Sometime, man feel need book if they found difficult problem or perhaps exercise. Well, probably you will need this Complete Digital Photography.

Melissa Becker:

Book is to be different for each and every grade. Book for children until finally adult are different content. We all know that that book is very important for all of us. The book Complete Digital Photography was making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The publication Complete Digital Photography is not only giving you considerably more new information but also to get your friend when you really feel bored. You can spend your current spend time to read your publication. Try to make relationship while using book Complete Digital Photography. You never sense lose out for everything in case you read some books.

Matthew Hood:

Nowadays reading books be than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book which improve your knowledge and information. The information you get based on what kind of publication you read, if you want send more knowledge just go with schooling books but if you want experience happy read one with theme for entertaining such as comic or novel. Typically the Complete Digital Photography is kind of reserve which is giving the reader capricious experience.

Leon King:

Information is provisions for folks to get better life, information today can get by anyone from everywhere. The information can be a knowledge or any news even a problem. What people must be consider any time those information which is inside former life are difficult to be find than now could be taking seriously which one works to believe or which one often the resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Complete Digital Photography as the daily resource information.
