The Battle (Play to Live) (Volume 5) D. Rus

The Russian cluster. The ground shakes as the enemy approaches. The angered gods frown as they look down from the sky. Intelligence agencies are locked in a brutal fight. Hundreds of thousands of sentient beings happily slaughter each other. This is no longer a game quest, nor a petty fight between clans over some land rich in resources. This is war! A war of civilizations, religions, and all the dimensions of the world. The earth weeps in pain. The astral beings turn away in horror. Burning castle towers collapse to the ground. Stones melt in the heat. The enemy is coming. Refugees flood the Valley. Alliance members are joining forces. Max is not just a clan leader anymore. He is the Chief, the head of the resistance. And you have no choice but to fight; you are the hope of the children and the thousands of innocents. They have entrusted you with their lives.
