The Late Great American Church: Is the Sun Setting on the American Church? Floyd C. McElveen
This is a book written with passion by a longtime missionary, evangelist and author who fervently hopes to wake up the American Church. America is losing thousands of Churches each year. "Christians" are not leading others to Christ. We are being lulled to sleep while our nation and the world perishes. All roads do not lead to salvation or God. Our nation is in disarray, our youth are leaderless and foundering and we as a Church are failing them. Where has the Great America Church gone? How can we empower it again. How can we become passionate about winning souls for Christ. This shocking book deals with some controversial issues and devastating statistics. Written by a man who has done his research and studied his bible. Read and then share with your leaders.
