The Profitable Art and Science of Vibratrading: Non-Directional Vibrational Trading Methodologies for Consistent Profits Mark Andrew Lim

Enter the world of vibration trading with a new methodology for making more money, more safely

What if you could enter the markets and know, in advance, the exact value of trades needed to sustain a losing streak, by knowing their Martingale limits, to finally ensure a win? With *Vibratrading* you can. Applying the principles of "Boundedness" in conjunction with powerful stock/ETF diversification techniques, *Vibratrading*TM allows you to accomplish what most traders and investors previously thought impossible, giving you an unfair advantage in any market situation.

A new and revolutionary perspective on trading and investing, *Vibratrading* provides a powerful methodology for extracting profit. Non-directional, it is designed to appeal greatly to the vast number of directional traders consistently struggling to keep from losing their trading accounts. Providing a better, safer way to participate in the markets to make consistent profits, it is the only book you need to gain a crucial competitive edge.

- Presents a radical new trading strategy, *Vibratrading*TM, that the market cannot move adversely against
- Demonstrates how a scale trader can enter the market at any level, without being restricted to entry at the "conventional lower end" of the instrument's historical range
- Teaches traders and investors the important techniques of securitizing and monetizing profits with emphasis on risk free vibrational share accumulation

Presenting a truly non-directional methodology, *Vibratrading* is the book you need to make more money, more safely.
