Detective Mona Lisa: Dark Mysteries Anthony Rivolta

Many legends were written about Lisa Gherardini. As the descendant of an ancient noble family, she was rumored to be the reincarnation of the “Mona Lisa”, the very woman painted by Leonardo da Vinci. At the very least, she was a blood relative.

Some people considered Lisa Gherardini a witch, others a saint. But one thing was certain: Thanks to her intelligence and a touch of rumored paranormal powers, Lisa was able to repeatedly help the police and investigators solve unexplained crimes and bring the perpetrators to justice, which rightly earned her the nickname of “Detective Mona Lisa”.
