Based on actual events, Anna Dotson is a passionate modern woman of the 1900s who finds herself stifled by the lingering outdated rules of Victorian society. When her every attempt to rekindle romance and affection with her husband--a prominent local doctor--fails, she finds herself turning to the friendship of Charlie Cobb, a new man in town. But as their relationship becomes more intimate, smalltown tongues start wagging, and their starcrossed affair leads to a shocking public murder.
