Queen Bee Mark Anthony

Destiny and Brazil are good friends as well as protégés of Essence, the 28-year-old controlling, ghetto fabulous owner of the Queen Bee strip club. Due to their ambition, they unintentionally make the mistake of outshining their mentor. Essence views her protégés as a threat to her power and her status, and things only get worse when they sleep with Essence's man. Essence isn't content with trying to control Destiny and Brazil. She feels that she must destroy them both and completely eliminate any threat that they may pose to her and her empire. She decides to divide and conquer Destiny and Brazil, subsequently starting a war. In the end, the question will not be who won the most, but who lost the least.
