Beeline to the Cross: Not only for salvation, but for all of life Joel Littlefield

"Beeline to the Cross" joins the efforts of many writers and Bible teachers throughout the years who have undertaken the God-given task of pointing people to the cross. It's the most pivotal place in human history. As Charles Spurgeon once said, it's "the central Sun of all events". It is there that the life of every believer begins. It is there that perseverance and joy is found. It is there that the redeemed of the ages will look back and for eternity, sing praises to the Lamb that was slain.
