**Lawrence Caulfield:**

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's spirit or

real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this ... Plant life of Alabama,: An account of the distribution, modes of association, and adaptations of the flora of Alabama, together with a systematic ... (Alabama. [State geologist] [Monograph 5]) can make you experience more interested to read.
