iBooks Author is the first tool of its kind. Never before have publishers, authors, and content creators had a tool for making dynamic, interactive ebooks in a WYSIWYG environment. This book is intended to get you up and writing in iBooks Author. You'll learn what to expect from this new tool and what its strengths and limitations are. You'll see how you can create beautifully designed pages and how you can bring those designs to life with interactive content in ways that, before now, were only possible in a web browser on the Internet. You'll also find out how to navigate the occasionally tricky terrain of Apple's ecosystem so that you can get your book published to the iBookstore.
