The exodus story is America's story.

Moses is our real founding father.

In this groundbreaking book, *New York Times* bestselling author Bruce Feiler travels through touchstones in American history and traces the biblical prophet's influence from the Mayflower through today. Feiler visits the island where the pilgrims spent their first Sabbath, climbs the bell tower where the Liberty Bell was inscribed with a quote from Moses, retraces the Underground Railroad where "Go Down, Moses" was the national anthem of slaves, and dons the robe Charlton Heston wore in *The Ten Commandments*.

One part adventure story, one part literary detective story, one part exploration of faith in contemporary life, *America's Prophet* takes readers from Gettysburg to Selma, the Silver Screen to the Oval Office, to understand how Moses shaped the nation's character. *America's Prophet* is a thrilling original work of history that will forever change how we view America, our faith and our future.
