Deandra Gets On The Alpha Train (BWWM Interracial Menage Paranormal Romance) R.L. Ish

I could feel the sweat rolling down my body in streams. The Alpha kneeled behind me, ready to take his prize.

A crazy old aunt. A mysterious note and a train ticket. Sounds like a fun adventure, right? You have no idea. I'd heard about these European Shifter men, but I had no idea how **gorgeous, passionate, primal and freaky** they could be!

I growled at my Pack Omega. Did he dare challenge me for the right to claim her first?

There's so much pressure leading a pack. I never asked for this responsibility, but it falls on my packmate and I to find a third, someone to complete our Trinity. Without it, our pack will fall to chaos. We went all over Europe, but we couldn't find the right kind of woman. Just as we were about to give up and go home, we saw her. **Curvy, dark and gorgeous.**

I needed her.

Over 7,500 words of a **black woman** being double teamed by **two alpha male werewolf white boys.**
